Internship

Facts as at 10/10/2026

Who this is for

Interns / practical or industrial training placements requiring the correct Immigration pass (not a tourist visa with a job).

At a glance

Foreign interns in Malaysia use a Professional Visit Pass. Students on exchange, mobility or industrial training programmes at universities, schools, hotels or companies can be sponsored under the Professional Visit Pass, and practical or industrial training is a category of the Professional Visitor Pass – Expert. A Malaysian sponsor applies before you arrive. Training at a factory or hotel is limited to 6 months.
Who it is for: Interns / practical or industrial training placements requiring the correct Immigration pass (not a tourist visa with a job).
Validity: Up to 6 months for training at a factory or hotel; otherwise up to 12 months

Why people choose it

Short placements need the right pass. This is not a tourist visa with a job.

Eligibility

What you need to show: A Malaysian sponsor (institution or company). Students on industrial training need a memorandum of understanding between the company and the overseas institution.
Work: Approved internship / practical training only — not open employment on a tourist social visit.
Sponsor: Malaysian sponsor / company via ESD Online or Immigration channels depending on pass type.
Renewable: No
Work: Can only undertake the program approved by the host company, which includes student exchange, industrial or practical training, internship, mentorship, or other similar programmes allowed
