# Malaysia Digital Arrival Card (MDAC)

Facts as at 07/10/2026

## Who this is for

Travellers required to submit Malaysia’s digital arrival card before entry.

## At a glance

The Malaysia Digital Arrival Card (MDAC) is an online arrival registration mandatory for foreign nationals visiting Malaysia, excluding exempt groups such as Singapore passport holders and Malaysian long-term pass holders. Travelers must complete and submit the MDAC within three days prior to arriving in the country. Upon arrival, travelers must present the MDAC registration alongside their passport for immigration verification.
Who it is for: Travellers required to submit Malaysia’s digital arrival card before entry.

## Why people choose it

An arrival card. It is not a visa and does not grant a stay by itself.

## Eligibility

What you need to show: Arrival-card process only — does not replace a visa or pass. Submit on the official MDAC portal.
Other conditions: Pre-arrival declaration not a stay permission by itself.

## Documents

Submit via official imigresen-online.imi.gov.my/mdac/main before arrival if required for your case
