SINGAPORE

Visa-Free Transit Facility (VFTF)

Facts as at 10/10/2026

Who this is for

Eligible travellers transiting Singapore who qualify for ICA Visa-Free Transit Facility.

At a glance

The Visa Free Transit Facility lets some travellers who normally need a Singapore visa stay up to 96 hours while transiting to or from a third country. It covers nationals of India and holders of certain Chinese travel documents who hold a valid visa or long-term pass for Australia, Canada, Germany, Japan, New Zealand, Switzerland, the UK or the US, plus nationals of CIS countries, Georgia, Turkmenistan and Ukraine with an onward air ticket. ICA decides entry at the checkpoint. The stay cannot be extended.
Who it is for: Eligible travellers transiting Singapore who qualify for ICA Visa-Free Transit Facility.
Stay: Up to 96 hours in transit
Validity: Up to 96 hours

Why people choose it

ICA Visa-Free Transit Facility ≤96 hours
non-extendable
not a sold visa product.

Eligibility

What you need to show: Nationals of India and selected Chinese travel documents also need a visa or long-term pass for one of the listed countries, valid for at least one month.
Nationality: Confirm eligible nationalities on live ICA VFTF page.
Work: Transit facility only — no work permission.
Other conditions: Not a sold visa product not extendable not a tourist or residence visa.
