THAILAND

Thai e-Visa

Facts as at 07/10/2026

Who this is for

Applicants using Thailand's official electronic visa channel for eligible visa categories.

At a glance

Who it is for: Applicants using Thailand's official electronic visa channel for eligible visa categories.

Why people choose it

Electronic channel for several Thai visa categories. The category, not the website, decides the stay.

Eligibility

What you need to show: Eligibility is determined by the visa category selected on the e-Visa portal, not by the website itself.
Other conditions: Validity and permitted stay depend entirely on the category applied for.
Embassy/Consulate may request interview or additional documents.
