Vietnam e-visa, 90-day multiple entry

Facts as at 07/10/2026

Who this is for

Short-stay visitors seeking a multiple-entry electronic visa up to 90 days.

At a glance

The Vietnam electronic visa (EV) is granted electronically to citizens of designated countries and territories for entry through authorized international checkpoints. It is issued for single or multiple entries with a stay duration of up to 90 days. Its validity must be at least 30 days shorter than that of the passport or travel document.
Who it is for: Short-stay visitors seeking a multiple-entry electronic visa up to 90 days.
Stay: Up to 90 days per stay
Processing time: 3 days

Why people choose it

Multiple-entry e-visa where that length is offered.

Eligibility

What you need to show: Outside Vietnam valid passport not in Art. 21 entry-suspension cases enter/exit only via e-visa-allowed ports.
Work: Not a work visa.
Sponsor: Self-application on the official e-visa portal.
Other conditions: multiple entry print approved e-visa.
Renewal: When a visa expires, consideration may be given to issuing a new visa.
